UNIVERSITY OF MYSORE.

Abstract of the Proceedings of the Meeting of the Senate, held at the University Union, Mysore on Thursday the 3rd, Friday the 4th and Saturday the 5th April 1930.

Before proceeding with the business on the Agenda paper, the Vice-Chancellor referred briefly to the retirement of his distinguished predecessor, Rajatantrapravina Sir Brajendranath Seal, KT., M.A., Ph.D., D.Sc., and proposed the following resolution for the acceptance of the Senate:—

"That the fellows of the University of Mysore assembled in Senate do desire to place on record their deep appreciation of the very valuable services rendered, during his term of office, by Sir Brajendranath Seal, KT., M.A., Ph.D., D.Sc., to the University. They desire that this resolution be conveyed to Sir Brajendranath Seal together with their thanks and their best wishes for his speedy and complete restoration to health and for many years of happyness in his well-earned leisure."

The resolution was *carried unanimously*.

The Vice-Chancellor then welcomed the following gentlemen recently nominated as Fellows of the University:—

1. Dr. J. F. Robinson, M.D., F.A.C.S.
2. Rajasevasakta Mr. K. R. Seshachar, B.A., B.E., C.E.

He also congratulated Dr. H. B. Mylvaganam on his election to the Legislative Council and Messrs. N. V. Narayana Murti and J. Mahomed Imam to the Representative Assembly, from the University Constituency.

2. The Registrar reported to the Senate that, in regard to the scheme of examination in the Languages in B.A. (Hons.), other than English and Kannada, the Boards of Studies in Sanskrit, and Urdu, Persian and Arabic were consulted as to whether any re-arrangement in the detailed courses of study in Sanskrit, Persian and Arabic under Correlated Subjects and Subsidiary Studies for the B.A. (Hons.) was necessary and that they are of opinion that no change is required.

3. The Registrar reported to the Senate the replies received from the several Indian Universities (*Vide* **Appendix A**) in regard to the following resolution passed at the meeting of the Senate held on the 24th November 1928:—

"That the Senate requests the University Council to recommend to the Inter-University Board that the University may be consulted as to holding the examinations in a comparatively cool part of the year."

"For purposes of the award of the Intermediate merit scholarships, only the results of the written examination will be considered."

Carried.

17. **Proposition.**—That the addition of a course in Vedic Studies to the Optional group (Classical Language) of the B.A. Pass Degree Examination, and the course of study scheme of examination therefor, as recommended by the Board of Studies in (Appendix I) and accepted by the University Council at the meeting held on January 1930, be approved.

Carried.

18. **Proposition.**—That the following resolution of the Board of Studies in Mathematics, accepted by the University Council at the meeting held on the 1st March 1930, be approved:—

"That the fourth paper under Subsidiary Subject for the B. A. (Honours) and the B.Sc. (Honours) Degree Examinations (pages 45 and 46 of the Supplement to Vol. 1 of the Calendar for 1928-29) be taken along with the Subsidiary Studies at the Final Examination.".

Resolved that the Proposition be referred to a Joint Meeting of the Faculties of Arts and Science for consideration (in all its aspects) and report.

19. **Proposition.**—That for the existing conditions relating to the award of the Khan Bahadur Hajee Sir Ismail Sait Scholarships (*vide* Appendix H), the following be substituted:—

The Khan Bahadur Hajee Sir Ismail Sait Scholarships.

These were founded by Fak-rethtujjar Khan Bahadur Hajee Sir Ismail Sait, Kt., C. and M. Station, Bangalore, for the encouragement of Persian and Arabic learning in the University and accepted by the Senate at the Meeting held in March 1919.

The original endowment of Rs. 20,000, invested in 5½ per cent Government of India War Bonds now amounts to Rs. 27,000, which is invested in the 6½ per cent and 6¼ per cent State Loan Bonds and the 5 per cent Fixed Deposit, yielding a total annual interest of Rs. 1,706-4-0.

The conditions of the endowment are as under:—

1. The endowment will be administered by the University Council.

2. Out of the interest will be instituted one scholarship of the value of Rs. 12 a month for 12 months tenable for one year in the B.A. (Hons.) class, three scholarships of the value of Rs. 10 a month for 12 months, each tenable for a period of two years in the BA. Pass classes, and five scholarships of the value of Rs. 6 a month for 12 months, each tenable for a period of two years in the Intermediate classes.

3. The scholarships will be given in the 1st year or Junior classes to poor and deserving Mohammadan students who take Persian or Arabic as their optional subject in the B.A. Hons., B.A. Pass., and the Intermediate classes.

4. The balance of the interest will be at the disposal of the University for the award of a prize of the value of Rs. 100 to a Mohammadan graduate of the Mysore University. The award shall be made for the best essay on a subject selected by the University Council and referring to the history or some aspect of Persian or Arabic Literature.

5. If, in any year, the scholarships in any of the B.A. Honours, B.A. Pass, or Intermediate classes should remain unawarded, the amount thus made available together with other unexpended income shall be utilised by the University Council at its discretion, either for awarding additional scholarships to Mohammadan students in the next year or shall be kept as a reserve fund to be utilised for the award of additional scholarships to Mohammadan students in the University classes, the value of these additional scholarships and the courses for which they may be awarded, being determined by the University Council.

Carried.

20. **Proposition.**—That Rule 3 of the Rules of Business of the Senate (page 12 of the Supplement to Vol. I of the Calendar for 1928-29) be amended by the deletion of the following:—

"unless expressly sanctioned by a majority of the members present."

Lost.

21. **Proposition.**—That the following be added as Rule 34 (a) (page 67 of Calendar for 1928-29, Vol. I):—

"After a proposition or amendment has been put to the vote, and the result ascertained, the decision shall not be impugned on any ground by any member, nor shall the Chairman explain the position or direct re-voting."

Not seconded.

Carried.

30. Proposition.—That the Senate resolves that scholarships and freeships be awarded finally and announced not later than the 1st of August each year.

Amendment by Mr. V. Gopalaswami Aiyengar.—

For 'not later than the 1st of August' *substitute*, 'within a month of the re-opening of the Colleges' after the Summer Vacation.

Withdrawn

31. Proposition.—That the Senate resolves that no fees for tuition be compulsorily collected till the question of freeship and scholarship is finally decided.

Amendment by Mr. V. Gopalaswami Aiyengar,—

Between the words 'collected' and 'till' insert 'from the students that have applied for a freeship or a scholarship carrying freeship.'

Not moved.

32. **Proposition.**—That the Senate resolves that students successful in the final examination of the Government Ayurvedic College be declared eligible for admission to the L.M.P. course.

Lost.

33. **Proposition.**—That the Senate resolves that one copy of the University Calendar be sold to each of such members of the University staff and Registered Graduates as apply for it at half of the published price.

Carried.

34. **Proposition.**—That the Senate resolves that Christmas vacation for the Colleges be given from the second Monday in December to the second Monday in January following and Summer vacation from the 1st Monday in April to the 1st Monday in June provided that if those Mondays should be Government Holidays the Colleges re-open on the Tuesdays immediately succeeding them: this Proposition to take effect from December this year.

Amendment proposed.

Add the following :—

That in consequence in ordinance 55 the words "30th June" be substituted for the words "31st July."

Amendment carried.

Proposition as amended lost.

35. **Proposition.**—That the Senate resolves that provision may be made for teaching Hindi in the Junior Intermediate Classes at Mysore and Bangalore.

Withdrawn.

36. **Proposition.**—That arrangements be made immediately to include Hindi as an optional subject in the courses of study in the University.

Carried.

37. **Proposition.**—That the Senate resolves that the number of freeships in the college classes be 40 per cent of their respective strength.

Carried.

38. **Propositon.**—That the following be inserted as 25A in the Rules of Business (page 66 of Calendar, Vol. I, for 1928-29):—

"Any matter before the Senate may be referred for consideration and report to one or more of the following bodies:—

The University Council, the Faculties, the Boards of Studies."

Carried.

39. **Proposition.**—That Ordinance 23 (page 20 of Calendar, Vol. I, for 1928-29) be amended by the insertion of the words " by the Senate " between "Council" and "or" in the last line.

The Ordinance as amended to read as under.—"The duties of the Boards shall be to recommend text-books, to recommend courses of study in their respective departments, to recommend the appointment of examiners in the subjects which come within their purview, and to advise in all matters referred to them by the Council, by the Senate or by the Faculty to which they belong."

Resolved that the proposition be referred to the University Council for opinion.

40. **Proposition.**—That the following be inserted as ordinance 61A (page 28 of Calendar, Vol. I, for 1928-29):—

"Any candidate who has passed the Master's Degree Examination in any subject comprising a compulsory and an optional group may be admitted to a subsequent examination in the same subject with an optional group different from what he took on the previous occasion, provided he has not taken the degree and has attended a regular course of lectures in the said group for one year.

Such candidate will be exempted from the examination in the compulsory group and will not be classed. He will be considered to have obtained distinction in that group if he secures not less than 60 per cent of the total marks in the group."

Carried.

41. **Proposition.**—That Ordinance 55 (pages 3 and 4 of the Supplement to Vol. I of the Calendar for 1928-29) be amended as follows:—

In (iii) (a) *omit* the words "Degree or" in line 4 and *add* the following under (iii):—

"(e) For students taking up the I.Sc. preparatory to Engineering, 50 per cent of the aggregate marks in Elementary Mathematics, Elementary Science and Additional Mathematics.

(f) For students taking up the I.Sc. preparatory to Medicine, 50 per cent of the marks in Elementary Science."

The Ordinance as amended to read as under.—

55. No one will be admitted to the Junior Intermediate Class unless he has—

(1) passed the Mysore S.S.L.C. Examination and obtained the differential minima as hereinafter prescribed, or*

(2) passed the Matriculation Examination of an Indian University or any other Examination recognised by the University as equivalent thereto and satisfies the University as to his fitness for admission to the course chosen.

The following shall be the differential minima for admission of Mysore S. S. L. C. students to the College courses of study:—

Intermediate in Arts and Science.

(i) 40 per cent in English.

(ii) 30 per cent in the additional subject (*i. e.*, Additional Mathematics, Additional Language or a Vocational subject).

(iii) 35 per cent in each of the other subjects, subject to the following exceptions and qualifications:—

(*a*) For students taking Mathematics with or without Physics in Intermediate in Arts, or in Intermediate in Science (General) and Intermediate in Science preparatory to Engineering Diploma course either 35 per cent in Additional Mathematics, or 40 per cent in Elementary Mathematics.

(*b*) For those students who take up the Intermediate in Arts course with a Selected Language either 35 per cent in a corresponding language taken as an additional subject, or 40 per cent in a corresponding language taken as Second Language.

(*c*) For students taking any Science subject in Intermediate in Arts, or Intermediate in Science (General) 40 per cent in Elementary Science.

(*d*) For students taking up I.Sc. course preparatory to Diplomas in Agriculture, Engineering and Technology, Textiles and Applied Chemistry, an aggregate of not less than 35 per cent in English and Elementary Science in case the candidate obtains less than 40 per cent and not less than 30 per cent in English.

(*f*) For students taking up the I.Sc. preparatory to Medicine, 50 per cent of the marks in Elementary Science.

The last date of admission for the Constituent and Intermediate Colleges shall be 31st July. In special cases where the approval of the University Council or of the Vice-Chancellor is required, the Principals and the Superintendents may admit students provisionally, in which case attendance shall be counted during the provisional period, should such admissions be approved.

No one shall be permitted to study for the B.A., B.Sc., M.B.B.S., B.E., or B.Com. Degree unless he has passed the Intermediate Examination of this University or of any other Indian University, * subject in the latter case to the approval of the University Council in cases in which specific recognition has not been agreed to.

Provided that any student, who after passing the B.Com. Degree Examination of the Mysore University, desires to take up History, Economics, Political Science and Statistics for the B.A. Degree Examination, may be admitted to the Junior B.A. Class of the Maharaja's College.

Candidates who have passed the Cambridge Examination (Senior Local) and the Oxford Certificate Examination (Senior Local) may be admitted to the Junior Intermediate class of this University for courses of study approved by the Council.

*No such student should be allowed to take French for the B. A. Degree Examination without having passed the Intermediate Examination in French.

Resolved That the Proposition be referred to the University Council for opinion.

42. **Proposition.**—That with a view to promote efficiency in the Teaching Departments of the University, the appointments of Professors be made hereafter for a term of five years only, in the first instance, but they may be renewed from time to time, the holders thereof being assured of pension, according to the period of their service.

Not moved.

43. **Proposition.**—That the benefit of the Resolution passed at the last meeting of the Senate, held in November 1929, reducing the fee for the registration of Graduates to Rs. 5 be extended to graduates, who had been previously registered, and have since been removed from the roll of Registered Graduates.

Not seconded.

44. **Proposition.**—That the Report of the Re-organisation Committee passed by the Senate in September 1929, be revised as follows:—

"Delete III (*c*) Committee of Reference and Budget Estimates. Clauses 1 to inclusive."

Not moved.

APPENDIX A.

Dacca.—"This University do not feel the necessity of making any changes in the time for holding examinations of this University."

Punjab.—"This University has already accepted the principle that University Examinations should be held in a comparatively cool part of the year. On the requisition of certain Fellows of the University, a Sub-Committee was appointed to go into this question whose reports were considered by the Syndicate and the Senate. The dates of the examinations are now so adjusted as to render it unnecessary to hold any University Examination between the second half of May and September which are hot and unhealthy parts of the year in this Province. In all other examinations except the Matriculation only one paper a day in the cool hours of the morning is given. The Matriculation Examination commences early in March when weather conditions permit morning and evening sessions for the examination, but even then endeavour is made that the evening session consists of such subjects as are not offered by too large a number of students."

Lucknow.—"The letter was recorded."

Patna.—"The letter be recorded."

Agra.—"The Executive Council, at its meeting held on April 17, 1929, resolved that it be recorded."

Madras.—"The Syndicate has recorded the communication."

"In this connection, I have to state that the Syndicate and the Academic Council have already considered this question, and decided not to change the existing practice. A slight modification has however been made *re* answering of papers, *viz.*, that candidates are required to take only one paper a day, if it is of 3 hours' duration and two papers a day if they are of two hours' duration."

Benares.—"Our University Examinations commence in March. It is not possible to hold them earlier. The months of December, January and February are the most suitable months for strenuous study."

Rangoon.—"As the examinations of the University of Rangoon are held annually in February and March, this University is not interested in the suggestions of the Mysore University."

Bombay.—"The Syndicate hold the opinion that the question of the time when examinations are to be held is one which each University has, taking local circumstances into account, to decide for itself."

Aligarh.—"With reference to your letter No. 2423-2429, dated the 13th November 1929, I have the honour to say that the Academic Council of this University have considered your circular letter under reference and have decided that the examinations be held during the months of March and April. These months, you will agree, are comparatively cool part of the year."

Allahabad.—"With reference to your letter No. 2423-2429, dated the 13th November 1929, I have the honour to say that the University examinations are held in April in the mornings which are cool and pleasant and no inconvenience is experienced by the examinees on account of heat.

The question, therefore, so far as this University is concerned, does not arise."

Andhra.—"I am desired to inform you that the Senate which considered the above subject in December 1926, was not in favour for it."

Calcutta.—"Ordered—That the Secretary, Inter-University Board be informed that, in so far as this University is concerned, it is difficult, having regard to the number of examinations held, to hold all examinations of the University in the cool part of the year."

Annamalai.—"With reference to your letter No. 2423-2429, dated the 13th November 1929, requesting the opinion of this University on the proposal of the University of Mysore regarding the holding of University Examinations in a comparatively cool part of the year, I have the honour, by direction of the Syndicate, to inform you that, in its opinion, all the examinations should finish by the end of March every year."
